DOLL AND NAT, THE WITCH AND HER CAT

An animation centred around DOLLY, a well-loved shop owner (and witch). Dolly lives in the small town of Strawberry Mound with her trusted talking cat; NAT.

THE MUMMY MONSTER

A rhyming picture book aimed at children affected by mental health issues in their family. Age 5+

LOVERS LOST (Feature)

A coming of age love story set in the 1700s. When a fatal coach crash brings a mysterious girl of a similar age into the house of AMELIA (16), life as she knows it will never be the same. Falling in love, the girls lose themselves in their first romance but when rumours of vampires take hold of the village, the girl's safety becomes gravely threatened.

PICK UP AND PULL (Pilot)

Burnt by her brutal divorce, MAGGIE (30) has turned to picking up randoms in shared taxis for 'spontaneous' one-night-stands. Despite being in therapy, Maggie refuses to believe that her sexual activities are out of the norm in relation to the modern dating world. But when she shares an undeniably special night with JACOB (35) it throws her off course from trying to avoid connection at any cost. A push and pull relationship between a woman scorned and a compulsive romantic searching for 'the one'. PICK UP explores the behaviours of functioning addicts in denial of their compulsions.

BLOODY ACTIVISTS (Pilot script)

Mockumentary set in an alternative (but very similar) reality in which vampires are top of the food chain and humans are merely produce. Vegan vampire TERI is desperately trying to make a documentary about human cruelty and the benefits of veganism.
