Simon Henry

Master Dressmaker/Craftsman

Simon has over 30 years experience in the craft and couture industry.

He is an expert in all things 'needle and thread': from high couture (has sewn in some of the world's top ateliers), surface embellishment (worked in the field of surface design, embroidery, gold work, tambour beading, machine embroidery digitising) to dressmaking (has had three books published on the subject by The Guild of Master Craftsmen).
