## **OSCAR HUMPHREYS**

**Chef, Presenter**

Oscar is an exciting young chef who has recently moved to The Pearl in The Dead Dolls House in Hoxton Square. Before this he was at Koya on Frith Street following stints at The Pollen Street Social and The River Cafe in Thames Wharf. Prior to this he worked for Pizza Pilgrims, a Napoli inspired street Market stall based in London's Berwick Street. Oscar has also worked at one of London's top restaurants, Bocca di Lupo. Described as London's Premier Regional Italian restaurant in the heart of Soho, Bocca di Lupo specialised in the obscure and delicious highlights of food and wine from across Italy's 20 regions. The restaurant is also renowned for making many of their delicious ingredients in-house - gelati, breads, sausages, salame, pickles, mostarda and of course pasta.

Prior to his position at Bocca di Lupo, Oscar gained experience working at Jamie Oliver and Adam Perry Lang's restaurant, Barbecoa; Electric House, Portobello and Seasons Cafe, Brighton.
